Project:  
Dear Lord, thank you for giving us a heart that can love. Help us to love ourselves and the people around us. Help us to love you with all our heart, in word, in deed, in prayer, Amen.  
Prayer:  
A new commandment I give you, love one another. As I have loved you, so you must love one another. Whoever loves me will keep my commandments and will love those who send me, so that they may love the Father who sent me. I will not leave you orphans; I will come to you and dwell with you and love you, so that you will not be alone. The world hates you because you do not belong to the world, and I have not belonged to the world. Whoever loves the world cannot love me, for the Father hates the world and those who love the world. Whoever loves me and keeps my commandments will remain in my love, and I will love him and will visit him and keep him with me, so that he may bear much fruit to the glory of the Father. Whoever does not love me does not keep my commandments. Therefore, if you do not hear my voice, do not go to the teachers, for they do not have the Father with them, nor do they love me.
